

PRESS RELEASE

“A New & Unbeatable Combination!”

Plastimayd Pool Products & Vyn-All Products Corporation

Plastimayd Pool Products and Vyn-All Products Corporation, two of the most highly regarded names in the vinyl liner and safety cover industries, would like to announce the merger of their companies as of August 13, 2007. This merger is designed to add strength to each company, while keeping their *“individual services and products”* unique for their dealers.

In the pool industry, both companies are regarded as having the highest quality product and very extensive product knowledge. This unbeatable combination of quality and knowledge, with the ability to handle the most difficult applications, will create unparalleled value in a complete package for the dealer!

There are four production facilities spread nationwide within the United States: • *Newmarket, NH* • *Bossier City, LA* • *Oregon City, OR* • *McKenzie, TN*. These convenient locations will improve efficiencies, reduce shipping costs and cut delivery times!

To ensure all our customers continue to receive the best possible service, quality and lead times, the management and employees will remain the same. The combined resources of the two companies promises to expand services and to welcome new, unique sales, marketing and product ideas to help the pool industry and the dealers grow in the coming years.
